

The Carinthia University of Applied Sciences sets high academic standards in an excellent environment in Southern Austria where education, culture, and technology are optimally combined. We ensure modern and application-oriented degree programs in the fields of Engineering, Management, Health Science, and Social Work at superbly equipped FH-sites, with excellent teaching and research staff complemented by part-time lecturers from industry and international guest lecturers. Further Information you can find on our website: www.fh-kaernten.at/en.

At the **Department of "Engineering & IT"** in the **Master degree program "Health Care IT"** we are looking for qualified applications for the following position:

Part-time lecturer (f/m/d)

"Artificial Intelligence in Clinical Imaging"

(3 SWS, 5 ECTS, 3. Semester, Teaching language: English, Winter Semester 2022/23)

Course content:

- fundamentals of medical imaging in the field of AI
- knowledge about clinical and technical applications of DL in the field of medicine/radiology
- practical implementation of simple network architectures for medical image classification and segmentation

Your tasks:

As a lecturer, you will contribute your professional competence and practical knowledge from your main job to application-related teaching. You will be responsible for teaching courses (including preparation and follow-up) using modern teaching methods and taking part in final exams.

Lectures can be given in person or online using Microsoft Teams.

Your qualifications:

The qualification as a lecturer is proven by a relevant academic degree and several years of relevant professional experience. Pleasure in imparting knowledge, didactic competence, and teaching experience are required. Good command of English language, as all courses and seminars will be held in English

Deadline for applications: 13th March 2022

Notes:

Teaching contracts to part-time lecturers are awarded according to regulations pursuant to [§ 7 Fachhochschulgesetz \(FHG\)](#).

Please note that in the case of full-time degree programs, teaching activities also take place on mornings or afternoons or, in the case of part-time/professional degree programs, also on weekday evenings or Saturdays.

If you are interested in this position, please submit your **full application with all required documents** via our job portal: www.fh-kaernten.at/jobs.

Requested documents:

- letter of motivation
- curriculum vitae
- proofs of practical experience

The job interview will be organized as an online meeting using Microsoft Teams.

We look forward to receiving your application!
